Fund Name Change Process

To begin a Fund Name Change request, select Fund Name Change under Common Task on the left side of the web page or from the drop-down list under Functions.

The system auto-populates information about you and your department in the User Information section. This information is based on data from Banner HR. A red asterisk appears next to all required fields.

The Chart Code is auto-populated from the drop-down menu based on your User Information.

You can type the current fund name or fund number in the Enter Current Fund Code or Fund Name field to initiate the search.

Enter the Proposed Fund Short Name . Keep in mind that this field is limited to 35 characters.

The Effective Date will be auto-populated to today's date, but may be changed to a future date. A date prior to today's date may not be used.

Enter the Justification for the Request .

The screenshot displays the 'Finance Fund Maintenance' web application. At the top, there is a navigation bar with 'Applications', 'Functions', 'Alexa Galle', and a 'Logout' button. The main content area is titled 'Fund Name Change' and includes a 'User Information' section with fields for 'User Name: Alexandra Galle', 'Tech ID', and 'Email Address: alexandra.galle@ttuhsc.edu'. The 'Fund Name Change' section contains several input fields: 'Chart Code' (a dropdown menu showing 'H - Texas Tech Univ Health Sciences Ctr'), 'Enter Current Fund Code or Fund Name' (a text box with '[181388] Finance Systems Management'), 'Proposed Fund Short Name' (a text box with 'Finance Systems Mgmt' and a note '(15 Characters left for proposed fund name change)'), 'Effective Date' (a date picker showing 'Jun 30 2025'), and 'Justification for the Request' (a large text area with a note '(960 Characters left for justification)'). Blue callout boxes with arrows point to these fields, labeled 'Enter Current Fund Code or Fund Name', 'Enter Proposed Fund Short Name', and 'Enter Justification'. At the bottom of the form, there are buttons for 'Attachments', 'Comments', 'Save', 'Save & Submit', and 'Cancel'. A note at the bottom states: 'Note: Attachments & Comments will be enabled after request has been saved.'

You are able to click either the Save button (saves your work) or the Save & Submit button (sends your request to the approval process).

When the Save button is clicked, the system will notify you that your request was successfully saved in the top right corner and redirect you to the Search page.

When the Save & Submit button is clicked, the system will notify you that your request was successfully submitted at the top right corner and redirect you to the Search page. If any required fields are not completed, the system will remain on the same page and will not submit the request to approvals. All required fields must be completed before clicking Save & Submit .

When the Fund Name Change request is submitted, the request will first be routed to the Fund Manager for approval. An email will be sent to the Fund Manager notifying them that a Fund Name Change request is waiting for their approval. A link to the request will be provided in the email.

Attachments and Comments

An Attachments button and a Comments button will appear at the bottom left corner after clicking the Save button.

After the Attachments box opens, click the Choose File button. Select the file you wish to upload and click Upload Attachment . If you accidentally upload an incorrect file, you are able to delete it by clicking on the trash can icon under Actions. Once the attachment is added, click Close .
