Inventory Lessons from the Big Dance

I know what you're thinking - how could inventory certification possibly be related to the NCAA basketball tournament? They're more alike than you think. From preparation to execution to the end result, there are lessons from the Big Dance that you can apply to the way you manage your inventory certification.

Are You Ready For It?

How do athletes prepare for March Madness? They train, practice, study their competition, and come up with winning game plans. You can apply this to the way you manage your inventory certification. The [Annual Property Certification Checklist](#) will help you prepare and provides guidance for review (train and practice) prior to submitting the Annual Certification. The [Annual Property Certification Help](#) document will guide users through the annual certification process. Additional information is available on the [Property Inventory Training](#) page.

New Game Plan

Departments must utilize scanning to complete the Annual Certification of Departmental Inventory. Just like a college basketball team comes up with a game plan to win, there is a new winning game plan (scanning procedure) for scanning your asset tags: Using a Scanner Under Storage Mode Setting. This allows you to scan and store multiple items without connecting to the Property Inventory System and later upload to the system. Click [here](#) for details about the new procedure.

These lessons from the Big Dance will help you avoid the need to hit a half-court shot at the buzzer to win. Your annual inventory certification will be like an easy fast break layup to seal the victory.

The FY 25 Annual Certification of Departmental Inventory opened on March 1, 2025, and must be completed in the [Property Inventory System](#) on or before April 30th.

For questions, email Property Management at PropertyManagement@ttuhsc.edu.

Did You Know? Transition to emburse enterprise

Effective January 17, 2025, Chrome River logos, login screens, and colors were updated to reflect the transition to Emburse Enterprise. At this time, this is a product name change and a minor user interface update only. All system processes, functionalities, and features will remain the same.

To ensure a positive user experience, Emburse will delay updating the URLs, email domains, fonts, and icons until customers are familiar with the new product name. TTUHSC System Admin will continue to send announcements to users as updates roll out within the next several months.

For questions, email Travel at Travel@ttuhsc.edu.

Need to Know! Encumbrance Change Request System Update

The TTUHSC Encumbrance Change Request System was updated with a new layout designed to improve efficiency and automate simple increases and decreases to purchase orders. This update streamlines the process and ensures greater accuracy in purchase order adjustments. The update was effective on Monday, February 17, 2025.

- Quantity (Qty)
- Unit Price
- Total Amount (Amt)

Note: You can only modify two of these fields at a time, not all three.

Action	Orig Status	Item	Seq	Description	COA	Fund	Orgn	Acct	Prog	Orig Amt	Adj	Liq	O/S	Unit Price	Qty	+ / - Unit Price	+ / - Qty	+ / - Amt
Close	Open	1	1	STANDING ORDER FY25 - After Hours A	H	132009	523012	727600	35	4,300.00	-717.00	-1,375.00	2,208.00	3,583.00	1	0	0	-303.00
Total:										4,300.00	-717.00	-1,375.00	2,208.00					-303.00

This enhancement introduces two new columns:

- +/- Unit Price
- +/- Qty

For more information, follow this link: [PO/Encumbrance Change Request Help](#).

These columns are in addition to the existing “+/- Amt” column and provide a clearer way to indicate order modifications. Users will now have the flexibility to adjust:

For questions, email Purchasing at purchasing@ttuhsc.edu.

Why Should I Care? Interactions with Foreign Adversaries

On November 19, 2024, Governor Abbott issued [Executive Order GA-48](#) (“EO”) addressing certain interactions with the following foreign adversaries:

1. People’s Republic of China, including the Hong Kong Special Administrative Region (China)
2. Democratic People’s Republic of North Korea (North Korea)
3. Islamic Republic of Iran (Iran)
4. Republic of Cuba (Cuba)

5. Russian Federation (Russia)
6. Venezuelan politician Nicolas Maduro

All Faculty and Staff should review [System Regulation 07.16 Foreign Adversaries-Gifts and Travel](#) and [Governor Abbott’s Executive order GA-48](#) regarding their impact on gifts, travel and contracting.

For questions, email Purchasing at purchasing@ttuhsc.edu.

OFFICE OF VEHICLE FLEET MANAGEMENT

Vehicle Rentals Fleet Management

1. OVFM Team with State Rental
 2. TTU HSC vehicles maintained
 3. Fleet Management
 4. Rental Exchange Vehicle Rental
 5. Some vehicles in the Rental Fleet
 6. OVFM member Gage Bailey in the
 7. Escape Rental

Here's What Others Say

About LBK Vehicle Rentals:

Renting is so much easier with
LBK team, especially with
no mileage charges!

About The OVFM:

There is always someone
who can help with a State vehicle.

Don't know **who** we are?

The Office of Vehicle Fleet Management (OVFM) is composed of two sections, Vehicle Rental and Fleet Management. This team.

Maintain active TTU HSC vehicles and all other vehicles to ensure proper and efficient use of the State's vehicle fleet, and to provide a monthly basis.

Provide staff and students with rental vehicles and can take on their official State business trip, and to provide departmental billing for rental and.

Handles all Vehicle Rental requests including carsets and other large expenses like taxis.

Delivers convenient vehicle rental conditions for rental vehicle rental by the point of the business day rental, and to the Vehicle Rental Reservation while using a rental vehicle.

Department Updates

Employees On The Move In Business Affairs

Business Affairs welcomes the following new employees:

- Yemi Doherty, Financial Analyst II, Accounting Services
- Keren Gomez, Chief Accountant, Accounting Services
- Monica Sanchez, Financial Analyst II, Accounting Services
- Terri Walker, Analyst, Payment Services

On the Move in Business Affairs because of changing job responsibilities are:

- Cindi Turner, Senior Director, Finance/Business Analytics
- Mike West, Associate VP, Business Affairs

Travel

When sending cash to the Travel Office, follow the guidelines below:

- Send the exact amount due - overpayment causes reconciliation issues and the Travel Office has to issue a refund.
- Include report ID – this helps the Travel Office associate the reimbursement to the correct report.

For questions, email the Travel Office at Travel@ttuhsc.edu. The Travel inbox is always monitored. Do NOT email individual Travel coordinators.

PCard

When sending cash to the PCard Office, follow the guidelines below:

- Send the exact amount due - overpayment causes reconciliation issues and the PCard Office has to issue a refund.
- Include report ID - this helps the PCard Office associate the reimbursement to the correct report.

Citibank PCards require a PIN at time of activation. If a PIN is not set up, transactions may decline.

When reconciling your PCard expense reports, important reminders can be reviewed at the [PCard website](#).

For questions, email the PCard Office at pcard@ttuhsc.edu.

Accounts Payable

Accounts Payable has the ability to correct PO numbers, amounts, and receipt numbers in the Invoice Management System (IMS). To help avoid duplication, do not resubmit invoices. Instead, email changes to accounts.payable@ttuhsc.edu.

Advance Pays and Direct Pays should NOT be submitted through the IMS.

Receipts in TechBuy

- Quantity receipt - dates should be the actual date items are received, not the date the invoice was received.
- Cost receipt – dates the services were completed, e.g.: monthly services with an end of the month date.
- If an incorrect date is submitted the receipt will be canceled.

For questions, email Accounts Payable at accounts.payable@ttuhsc.edu. The AP inbox is always monitored. Do NOT email individual payers.
